Date – 18 April 2026

Dear Book Sellers,

As there have been changes in many of the textbooks, you are requested to provide the updated reference books for Class IX strictly as per CBSE alignment.

Kindly ensure that the reference books supplied to the students are only from the prescribed publishers as mentioned in the school book list and are the latest updated editions in accordance with CBSE guidelines.

In case the prescribed publishers have not yet updated the reference books, kindly request them to revise and align the same at the earliest.

This is important to maintain uniformity and to avoid any confusion among students and teachers.

Your cooperation in supplying the correct and updated books will be greatly appreciated.

Thank you.

Dr. Gulshan
